2026
8th ICTD

The International Congress on Technical Diagnostics is a series of meetings for science and industry representatives focused on technical diagnostics. The aim of the meeting is to provide an international platform to share ideas and the latest concepts on the diagnostics of machines, vehicles, structures, materials and industrial processes, as well as the maintenance of all kinds of technical facilities.

The congress will be held at the Scandic Gdańsk hotel (Podwale Grodzkie 9), opposite the Gdańsk Główny railway station and directly next to the Gdańsk Old Town.
Early registration ends June 30, 2026

Organizers:

Institute of Fluid-Flow Machinery PAS

Polish Naval Academy

Polish Association of Technical Diagnostics
